## Ellie's Blue Dyslexia Ribbon

Ellie was Dyslexia Scotland's first Young Ambassador.

She came up with a blue ribbon for dyslexia to raise awareness. Here's what she said when she launched the blue ribbon in 2012.

**"I want children to feel comfortable with their dyslexia and not to have to hide it away.**

**Most children don't want to tell their friends about it because they are ashamed or embarrassed.**

**I want to educate people so that they understand that dyslexics are creative out of the box thinkers and that we are just as clever as everyone else.**

**I want them to embrace their dyslexia and achieve their goals."**

We would love to see your pictures and stories about how you use the ribbon. Please send them to [lena@dyslexiascotland.org.uk](mailto:lena@dyslexiascotland.org.uk)
