

DYSCALCULIA

There is no helpline for people who want to ask questions about dyscalculia. However, the following are useful websites:

The Dyscalculia Centre

This is an English-based company that provides information about dyscalculia. There is no contact number, but there is an email address on the site.

www.dyscalculia.me.uk

Steve Chinn's Dyscalculia Websites

A selection of free and paying information and tutorial videos that are UK based.

www.mathsexplained.co.uk

www.stevechinn.co.uk

Conquer Maths

For ages 4-18 but could be suitable for over that age range.

www.conquermaths.com

Dynamo Maths

Dynamo Maths tackles early maths skills such as: Patterns, Bonds of 10, Number facts, Shape and Space, Place Value, Telling the time, Money Fractions, Pictograms etc. The programme addresses over 20 Dyscalculia difficulties such as: Subitising Auditory Memory, Number Recall, One-to-one correspondence, Visual Memory, Sequencing, etc., and is ideal for supporting and boosting the confidence of children who are struggling with maths or are dyscalculic.
