Things to do in your workplace

Have a film screening. You could watch Scottish documentary, '[Dyslexia: Educate Me](#)', '[Left from Write](#)' or '[Roadtrip Nation](#)'. You could also show the **Kara Tointon BBC3 documentary** 'Don't Call Me Stupid' which is available in 4 parts on YouTube.

Hold an awareness session or have a display – Dyslexia Scotland can supply some leaflets. Have our general presentation (on the main page) about dyslexia running on a loop in your reception or staff area.
