Dear Member of Dyslexia Scotland

As President and Vice-Presidents of Dyslexia Scotland, we would like to thank you for your support of an organisation that is close to our hearts.

From first hand experience of family, friends and colleagues, dyslexia has touched all of our lives and that is why we support the organisation in our own small ways.

We lend our names in support of an organisation that we know to be trusted, dedicated and ambitious, with a genuine desire to make the lives of children and adults with dyslexia - and those around them - better.

Quite simply, this would not be possible without you, our valued members.

On behalf of Dyslexia Scotland, we give you our sincere thanks.

If you find your membership useful, it would be very helpful, not just to us, but to all those who are dyslexic, if you would encourage your friends, family and colleagues to join as well.

Yours sincerely

Sir Jackie Stewart OBE
