

Are you a neurodivergent young adult?

I want to hear from you!

Who am I looking for?

- Participants who self-identify as neurodivergent (including autistics, dyslexics, dyspraxics and ADHDers);
- Individuals between 17 and 30 years old who have work experience, or are in college, university or employment.

What does participating involve?

- An interview about 1 hour long on your career journey;
- The interview can be online or in person at a time that suits you;
- Bring between 5 and 15 photos to the interview representing your career journey.

Do you want to participate?

- Participation is completely voluntary and anonymous.
 - If you would like to participate or have any questions, email Martina at m.lippi.1@research.gla.ac.uk or scan the QR code.
- Thank you!

This research has been approved by the University of Glasgow ethics committee and is funded by the ESRC (SGSSS) and SDS.
